

under ten, my establishment is terrible
and one way and another I have
got a stock of wine, I have not
trouble on that score Robert manages,
I shall be content if my True Money
keeps me quiet I am abroad -
I think it will. I wish I had
our fine glass but it is out of
the question now - I have bought
various Quarters but generally of ex-
traordinary sort which breaks easily -
I think that you had best get
your to London when we remove
it again we can make it up
into smaller quantities - which will
be very good. whether you give
