12 Feb.

My dear Clementina

Mobile Bay

Thank God that very soon
we shall be at Peace ten days from
this I expect to hear that it has been
ratified by the President, some few
doubts I have none, we had just
taken the Fort that destroyed the Hermes
at the entrance of Mobile Bay
and were proceeding against the Fort
but now we are at a stand
tomorrow the Admiral puts me
I remain with the Army either to
commence hostilities
