are on shore on Deception Island,  
we were becoming very displeas'd  
the Amuse that I told you of  
between Sir A and Godwinston she  
continues and thereby the sorrow  
is much improv'd, but I have not  
time to tell you more just help  
you and our dear Boy that I  
may soon see you both in  
health and happiness in the next  
visit of your ~~letter~~
