

My next Epistle will be more welcome
for it will be the confirmation of Peace 37
but you talk me, as I did you, for
better and for worse you must therefore
~~be~~ ~~be~~ now and then expect to
hear of my miseries - as well as
of my true shining hopes -
I need not fearer both day how
I did long to be with you
till the day and when
we were left for Watts's

I do not expect to quit this
before this day month at worst
or account of business -
