

but Pove & Keene are mainly fellows
in very sense of the word - I had
Tents or shes and had house then
my shop is at a distance -
we have an admirable Theatre
our Plays suited to admiration
but yet we look all most anxiously
towards Home - I cannot now write
long letters they are of no use
As I will follow them in an
myself - for I do long to see
George and Miss you and Miss
young just off - both of them

St Parley was surprised sleeping on
a small Island - and then Poisoned in my
Purge - but very resolutely - some hours
afterwards, secured the principal Officers
