OPINION.

BAW DEPARTMENT.

Baltimore, June 20, 1904.

Charles B. Phelps, Jr., Req.,

Chief Engineer of Electrical Commission.

Dear Sir:-

1592

Referring to your favor of the 10th inst. with reference to the conduit leases to the Crown Cork and Seal Company, Messrs. Bartlett, Hayward & Co. and Messrs. Crook, Horner & Co., I beg leave to enclose herewith curative ordinances, which, it seems to me, will cover the three cases respectively.

1693

All of these ordinances should, of course, go to the Board of Estimates. I return herewith the Friedenwald agreement, dated February 21, 1899, and the application for duct space accompanying it.

Truly yours,

(Signed) W. Cabell Bruce, City Solicitor.
