LAW DEPARTMENT.

Hon. W. Cabell Bruce,

City Solicitor.

Dear Sir:-

2311

I beg to report as follows in reference to the inquiry of Mr. Phelps, relating to the recent application for conduit space by the Consolidated Gas, Ricetric Light and Power Company.

2312

I have communicated with Mr. Phelps, and he tells me that
the above mentioned company has merely made application without stating that it is the successors in title to the Electric Light and
Power Company, and without furnishing a copy of its charter, and
without giving in any way any information bearing upon its right to
enter the conduits.
