File No. 2725.

CORRESPONDENCE.

DEPARTMENT OF PUBLIC SAFETY SUB-DEPARTMENT OF HEALTH.

Baltimore. March 25,1905.

Hon. W. Cabell Bruce,
City Solicitor,
Baltimore, Md.

Dear Sir:-

2397

Please find enclosed a letter from Mr. B. T. Fendall, City .

Engineer, in reply to my letter calling his attention to Ordinance 69 of 1901 and 1902. You will see by his letter that he considers that the Ordinance could not be enforced against tenants of the property on whose premises materials, which have blocked the sewer, have undoubtedly come. Will you please inform this Department if Mr. Pendall's opinion is correct?

of our Ordinances especially under Article 23 of our city code, about which I have spoken to you before. I presume, that inasmuch as I have not heard from you, that the gentleman whom I understood is reviewing the Ordinances under your direction, has not yet reached the Health Ordinances, which I shall be pleased to go over with him when he is ready.

Yours respectfully,

(Signed) C. Hampson Jones, M. D.,

Asst. Commissioner of Health,

For the Commissioner of Health.
