File No. 5284 Continued.

OPINION.

No question of repairing, however, has arisen in the present case, but only a question of repaving, so I do not see how this ordinance can have any application.

Yours very truly,
(Signed) Albert C. Ritchie,
Assistant City Solicitor.

LAW DEPARTMENT.

Baltimore. September 27,1906.

George M. Boteler, Eaq.,
Acting City Engineer.

Dear Sir:-

Referring to your favor of the 4th inst., asking me whether the Street Railway Company can be compelled to pave between its tracks, etc., at the intersection of Light and Cross Streets, I beg leave to enclose herewith a report from Mr. Ritchie, Assistant City golicitor, to myself, dated the 26th inst., with respect to the extent of the Street Railway Company's obligations at this point.

..............

Truly yours,

(Signed) W. Cabell Bruce,

City Solicitor.
