

File No. 5700 Continued.

CORRESPONDENCE.

If, with these facts before you, you still feel that it is proper for the City to bring an action, won't you kindly have the suit brought against all concerned, thus: the Church, Myers, the Border State Savings Bank of Baltimore City, J. Mabury Lawrence, and our Company as Trustee; but, we hope that with these facts now before you, that you will be disposed to think that a suit will be of no avail.

Very truly yours,

(Signed) William R. Hubner.
