SEWERAGE COMMISSION
OF THE CITY OF BALTIMORE
CHIEF ENGINEER'S OFFICE
AMERICAN BUILDING.

Baltimore, July 17, 1907.

Mr. David Peoples,
#213 N. Calvert Street,
Baltimore, Md.

Dear Sir:-

4809

I beg to call your attention to clause 14 on page 30, Storm-
Water Contract No. 2, in regard to surplus material. I notice that
you are making no attempt whatever to remove any of the dirt from the
excavation in Light street; in fact, that you are making a large dump-
ing ground of the street. You are hereby directed to see that this
clause is complied with, and no more dirt must be deposited in the street
until it is complied with.

Yours truly,

(Signed) Calvin W. Hendrick,
Chief Engineer.
