CORRESPONDENCE.

SEWERAGE COMMISSION  
OF THE CITY OF BALTIMORE  
CHIEF ENGINEER'S OFFICE  
AMERICAN BUILDING.

Baltimore, November 23, 1907.

Mr. W. Cabell Bruce,  
City Solicitor.

Dear Sir:-

14 I enclose herewith a copy of a letter received from Messrs. Willis & Homer, dated November 22nd, together with a copy of a letter received from Mr. David Peoples under date of November 2nd, and a copy of my reply thereto dated November 4th; also a copy of your letter to me of July 19th, 1907. I also enclose a copy of the specifications for Storm-Water Contract No. 2, not knowing whether you returned the copy I sent you with my letter of July 17th.

I feel that the stand you have taken in your opinion is undoubtedly correct.

The general impression I have gotten from Mr. Peoples is that he is endeavoring in every way possible to get extras. He is giving us a great deal more trouble than all the other contractors put together.

I would be glad if you would look over this matter and give me a reply at your leisure.

Yours truly,

(Signed) Calvin W. Hendrick,  
Chief Engineer.
