OPINION.

contention of David Peoples, I beg to say that I have carefully read the correspondence accompanying your letter including the letter of Willis and Homer, Counsel for Peoples, and that I see no reason for modifying the conclusion reached by this department, as set out in the letter of July 19, 1907, from Mr. Bruce, City Solicitor, to yourself.

As suggested in the letter of Messrs. Willis and Homer, I would be perfectly willing to take the matter up with them directly, if they should so desire.

Very truly yours,

(Signed) Edgar Allan Poe,
Deputy City Solicitor.

~~In reply to your letter of the 25th regarding the contention~~
of David Peoples, through Messrs. Willis & Homer, attorneys, I beg to say I have written Messrs. Willis & Homer that they are at liberty to take this matter up direct with you, if they so desire.

I feel sure they are trying to get in a wedge with which to endeavor to break our specifications. I trust you will maintain your stand.

Yours truly,

(Signed) Calvin W. Hendrick,
Chief Engineer.
