

File No. 6644 Continued.

LAW DEPARTMENT.

Baltimore, August 7, 1947.

Hon. J. Barry Mahool,
Mayor of the City of Baltimore.

Dear Sir:-

Replying to your Secretary's communication of the 6th instant, with respect to the removal of the temporary Court-House, I beg leave to say that, in reply to your former communication on the subject to Mr. Preston, I informed him, after reading the contract between the City and the Federal Government, that the City is under a present, unconditional obligation to at once remove the building.

The disposition to be made of it is, of course, a question of policy for yourself.

Truly yours,

(Signed) W. Cabell Price,
City Solicitor.
