OPINION.

Dr. Bosley states the manner of the exercise of this power fully in his letter. His statements speak for themselves, and I think that the practice of the department, as set out by Dr. Bosley, is absolutely correct and fair.

Very truly yours,

(Signed) Albert C. Ritchie,  
Assistant City Solicitor.

LAW DEPARTMENT.

Baltimore, April 27, 1908.

James Bosley, M. D.,  
Commissioner of Health.

Dear Sir:-

Replying to your letter of the 23rd instant, I beg leave to say that your mode of procedure in vaccinating school children as therein outlined is, in my opinion, proper and fair. The case, in my judgment, calls merely for an expression of regret to Mr. Dor- ton that the action of the Department should unintentionally, upon its part have proved a source of disquietude to the parents of the child in question.

Very truly yours,  
(Signed) W. Cabell Bruce,  
City Solicitor.
