CORRESPONDENCE.

SEWERAGE COMMISSION  
OF THE CITY OF BALTIMORE  
AMERICAN BUILDING.

Baltimore, April 24, 1908.

W. Cabell Bruce, Esq.,  
City Solicitor.

Dear Sir:-

The Sewerage Commission desires to be informed whether or not if, under the conditions of the several contracts which are now and will be in force in the future, it should desire to extend the time of completion beyond the time fixed in the specifications, it can make such extension of time without in any way invalidating the responsibility of the Bonding Company under the bond, and the responsibility of the contractor in connection with the bonding company, and whether the bonding company, when such extensions are made, shall be notified thereof.

I send you herewith a copy of the contract for Section 1 and 2 of the high level interceptor. Please return the specifications with your reply.

Respectfully,

(Signed) Peter Leary, Jr.,

Brig. Genl., U.S.A., Retired,

Chairman.
