

File No. 7955 Continued.

CORRESPONDENCE.

do the work under our supervision, we keeping the time of the men and teams which he employs, and paying him for the teams so much per day, and for the men the usual price, and adding 10% of the total cost for the use of materials and tools.

Would it be necessary to go before the Board of Awards on this proposition and invite formal bids for the work?

Very truly yours,

(Signed) B. T. Fendall,  
City Engineer.

OPINION.

LAW DEPARTMENT.

Baltimore, May 1st, 1908.

B. T. Fendall, Esq.,  
City Engineer.

Dear Sir:-

18 Referring to your letter of the 1st instant, relating to the proposed work at Stony Run Bridge, I beg leave to say that in my opinion the work can be done by you either in the ordinary way by day labor, or through the instrumentality of men and teams furnished to you by Mr. Conway in the manner proposed.

Truly yours,

(Signed) W. Carroll Bruce,  
City Solicitor.
