OPINION.

LAW DEPARTMENT.

Baltimore, May 6th, 1908.

Hon. J. Barry Mahool,  
Mayor of the City of Baltimore.

Dear Sir:-

6125

I reply to your letter of the 4th instant. In my opinion, the power of the City to establish, maintain and control parks and squares in the City of Baltimore (Charter Section 6, Paragraph Parks), authorizes it to make reasonable appropriations in the annual ordinance of estimates for the purchase of out-door statuary to be used in the embellishment of parks and squares.

Truly yours,

(Signed) W. Cabell Bruce,  
City Solicitor.
