whether or not your Department is required to issue a permit to do plumbing work to any one besides those duly qualified by the Maryland State Board of Commissioners of Practical Plumbing; and also whether that Board has the power to issue two sets of certificates, only one of which qualifies the plumber to receive permits from the Health Department, I herewith enclose a copy of a report on the inquiry from Mr. Lauchheimer.

Kindly act upon the conclusions reached in his report.
I return the enclosures which you requested.

Very truly yours,
(Signed) Edgar Allan Poe,
City Solicitor.

The Consolidated Gas Electric Light and Power Company of this City have a line of poles and a string of wires through the valley of Wyman Park, which supply current to the residents of Roland Park. In order that the Company might not establish a legal right to this right of way, we served them notice some time ago to remove this line of wires and poles. After several discussions, the Board, in view of the fact
