Gen. Peter Leary, Jr.,  
Chairman, Sewerage Commission.

Dear Sir:-

Replying to your letter of December 5th, in reference to certain bills from the Consolidated Gas, Electric Light & Power Company for changing the position of certain lamps therein referred to, I herewith enclose a copy of a letter from Mr. Lauchheimer to me, answering the inquiry in the last paragraph of your letter.

Replying to the other part of your letter, I beg to say that the agreement which you refer to between the City and the Consolidated Gas, Electric Light & Power Company was intended to relate to the shifting and removal of wires and over-head construction and does not therefore strictly cover the present controversy.

I herewith return the bills which you sent with your letter.

Truly yours,

(Signed) Edgar Allan Poe,

City Solicitor.
