OPINION.

LAW DEPARTMENT.

Baltimore. March 16, 1909.

Calvin W. Hendrick, Esq.,  
Chief Engineer,  
Sewerage Commission.

Dear Sir:-

Replying to your favor of March 15th, relative to the storm water drain on Calvert Street, north of Thirty-first street, I beg to say that the statement in your letter seems to me to bring the case within the spirit of that part of my letter of the 13th quoted by you.

I think that you would be fully justified in making the best settlement that you can even to the extent of paying, or allowing, the full amount in controversy.

Very truly yours,

(Signed) Edgar Allan Poe,

City Solicitor.
