matter not covered by Sections 54, 55, 56, 74 and 75 of Article 35, Pielert's Code? The practical way of handling the situation is to charge as much as possible to the cross street and to distribute the balance by reducing what would otherwise be the full assessment against the abutting property owners.

Very truly yours,

City Solicitor.

Dear Sir:-

7252

The property owners on Canton street desire to do this paving under a contract that they propose to make as individuals.

Article 35, Section 81, (Pielert) forbids this except under special ordinance. I suppose you overlooked this in rendering your opinion, which opinion I herewith respectfully return.

Very truly yours,

(Signed) B. T. Fendall,
City Engineer.
