Dear Sir:-

7298

Replying to your favor of March 18th in reference to the controversy between certain property owners on the southwest branch of the Patapsco River, I herewith enclose copy of a report to me on the subject from Mr. Goldsmith. I agree with Mr. Goldsmith that the matter in dispute relates to alleged private rights and it seems to me should be settled by the parties themselves.

The settlement of the question would involve the necessity of a search of the titles to the property bordering on the water. I would suggest that you let the disputants fight it out between themselves.

Very truly yours,

(Signed) Edgar Allan Poe,

City Solicitor.
