

File No. 9783.

CORRESPONDENCE.

DEPARTMENT OF PUBLIC SAFETY-IMPROVEMENTS
CITY HALL
SUB-DEPARTMENT OFFICE INSPECTOR OF BUILDINGS.

Baltimore, March 29th, 1909.

Edgar Allan Poe, Esq.,
City Solicitor.

Dear Sir:-

7359

Having received an application for rebuilding at Howard and Park avenue, which building is to be used for a Livery Stable, I have told the parties that it would have to be advertised in accordance with Section 47, paragraph 12, page 267, Building Code. But they claim that inasmuch as there had been a Livery Stable there before, it was unnecessary.

I take the ground that the present building which is only two stories high is to be reconstructed and made four stories and occupied by different owner and in different way from former uses and adjoining owners should be so advised.

Please advise me if I am correct in requiring advertisement.

Very truly yours,

(Signed) Edward D. Preston,
Inspector of Buildings.

Replying to your letter of the 29th instant, in which you refer for my consideration a communication of the same day from the Inspector of Buildings, I beg to say; it is proposed to erect a four story building at the corner of Howard street and Park avenue, to be used as a Livery Stable, and an application for such building has been filed with the Building Inspector.
