Dear Sir:-

The R. E. Roberts Company have made an application for a permit to erect on Henderson's Wharf a Frame Shed to be used as a Shelter for Oyster Shuckers, &c. The application states that Permit is for a Temporary Shed for five years and I have rejected same on the ground that five years would not be considered temporary.

Mr. William Wheatly, Attorney for Messrs. R. E. Roberts & Company, states that the shed might be used for one year and if for a longer period with privilege of renewal for another year.

Mr. Wheatly will call to see you and explain the situation.
(See Section 47 Paragraph 6 and Section 53 of Building Code in reference to the above).

Very truly yours,

(Signed) Edward D. Preston,
Inspector of Buildings.
