Alfred M. Quick, Esq.,
Water Engineer.

Dear Sir:-

7609

We are considering a communication from you dated May 7th, asking to be advised as to your right to disconnect houses on Calhoun and Carey streets, with mains which were laid in the back yards.

7610

Can you let us have a copy of the application, which was signed by the property owners, previous to the laying of these mains; in other words, we want whatever form of agreement which was signed by the property owners with the City, as the same may throw some light on the situation.

Very truly yours,

(Signed) W. H. DeC. Wright,

Assistant City Solicitor.

In reply to yours of the 11th instant, I would state that whatever application is made for water to supply houses on Calhoun and Carey streets, referred to in my letter of May 7th, was so long ago that it is impossible for us now to locate the original applications.

The applications were probably made sometime in the early 70's and all of the records have been searched as far back as 39 years. No record of these particular applications could be found. However, there is no doubt that applications were made and that they were on a
