In reply to your communication with reference to the removal of tracks to the center of Edmondson avenue, we would say we have no objections to the introduction of an ordinance changing the location of these tracks. We can go ahead with our work, however, as it will be sometime until we can reach the point where the tracks are to be removed.

By order of the Board.

Very truly yours,

(Signed) Eugene F. Rodgers,
Secretary.(Signed) James H. Smith,
President.
