

File No. 9986 Continued.

CORRESPONDENCE.

MAYOR'S OFFICE,
BALTIMORE.

Dear Sir:-

7637

Kindly note the details of this enclosure with care, particularly those items marked by index hands.

You are respectfully requested to examine these matters as quickly as possible and let us have your views on the same. If you have any recommendations to make, be sure to include them in your reply.

Yours truly,

To

(Signed) A. S. Goldsborough,

City Solicitor.

Mayor's Secretary.

File No. 9986.UNITED RAILWAYS AND ELECTRIC COMPANY
OF BALTIMORE.

Baltimore, May 22nd, 1909.

A. S. Goldsborough, Esq.,

Mayor's Secretary,

City Hall,

Baltimore, Md.

My dear Mr. Goldsborough:-

7638

Your letter enclosing copy of communication dated the 3rd instant from City Engineer Fendall to His Honor, Mayor Mahool, in reference to contemplated improvements on Edmondson avenue, between Second street and the new bridge across Gwynn's Falls, was received at this office on the 6th instant, but owing to absence from the City and pressure of other important matters requiring practically my entire attention, have been prevented from making earlier reply.

Enclosed herewith you will find letter under date of the 21st instant from Chief Engineer Hood of this Company, covering the engineering features in connection with this proposed change; also communication dated the 14th instant from Assistant General Counsel Thom treating of the legal aspects of the question, after reading which
