CORRESPONDENCE.

DEPARTMENT OF PUBLIC IMPROVEMENTS,
SUB-DEPARTMENT OF CITY ENGINEER.

Baltimore, April 13, 1910.

Mr. Edgar Allan Poe,
City Solicitor.

Dear Sir:

8831

I send you herewith a copy of Mr. Bruce's letter of June 5th, 1908, and another letter received from him dated July 25th, 1908, regarding certain questions which came up between this Department and the United Railways and Electric Company, concerning their duties in connection with the removal of material between their rails and two feet outside thereof, when the City was to repave a street upon which their tracks were located. Will you kindly advise if this question has been definitely decided?

We have been removing the material free of expense to the Railways Company, but I am unable to put my hands upon any letter from the Legal Department authorizing me to do this. If you can refer me to any opinion which the Department has rendered, either to me or to Mr. Hendrick, I should thank you to give me such reference.

Yours very truly,

(Signed) B. T. Fendall,
