DAVID PEOPLES,

GENERAL

CONTRACTOR.

Baltimore, April 12, 1910.

Calvin W. Hendricks, Esq.,

Chief Engineer,

Sewerage Commission.

Dear Sir:-

Lateral Sewer Contracts.

8857

With reference to change of lines into Alleys at Cost plus 15% I beg to intimate to you that as the Water Pipes are in such bad condition in these Districts I will require where strict attention has been paid to the execution of the work and done in a thorough tradesmanlike manner if any Gas or Water pipes burst that the Sewerage Commission and City of Baltimore will be liable for the Bill of repairs, these Bills to be paid by the Sewerage Commission direct or through the Contractor and charged up in Bill of work executed.

Yours truly,

(Signed) David Peoples,

Wm. A. Cowie.
