

File No. 11284.

CORRESPONDENCE.

SEWERAGE COMMISSION  
OF THE CITY OF BALTIMORE  
CHIEF ENGINEER'S OFFICE  
AMERICAN BUILDING.

Baltimore, May 5th, 1910.

Mr. Edgar Allan Poe,  
City Solicitor.

Dear Sir:-

I enclose herewith a bid received from the United Engineering and Construction Company on Sanitary Contract No. 50, and would call your attention to item 5, page 14, "For furnishing material for and making embankment, the sum of no dollars and no cents (\$0.00) per cubic yard measured in place".

You will notice that "no" dollars and "no" cents are bid. Does this make the bid irregular, as they have submitted a proposal in which they have failed to submit a price on one of the bidding items called for.

Thanking you for as early a reply as possible, with the return of the bid, I remain,

Yours truly,

(Signed) Calvin W. Hendrick,  
Chief Engineer.
