Dear Sir:

I hand you herewith copy of notice which we served on R.B. Tippet, August 16th. I think this will answer all of the questions asked in your favor of September 10th. I would further advise that Mr. Tippet is laying a sidewalk but only making it three feet wide, where the law requires that it shall not be less than four feet wide.

Yours very truly,

(Signed) B. T. Fendall,  
City Engineer.
