File No. 11817.SEWERAGE COMMISSION  
OF THE CITY OF BALTIMORE  
CHIEF ENGINEER'S OFFICE  
AMERICAN BUILDING.

Baltimore, September 30, 1910.

Mr. Edgar Allan Poe,  
City Solicitor.

Dear Sir:-

489 I have just received a copy of your letter of September 21st,  
enclosing a copy of Mr. Emory's opinion of September 20th, covering  
the question contained in my letter to the Sewerage Commission of  
September 13th, with reference to just what steps should be taken  
under the contract to repair the damages to No. 104 S. Duncan alley,  
there being some doubt as to the proper action for me to take in this  
case on account of the contractor claiming he had used due care in  
the construction of the sewer, together with the fact that he had left  
all of the sheeting in.
