appropriation in the purchase of property or for the construction of the proposed street until our plans for its construction have been approved by an ordinance of the Mayor and City Council and we have been expressly authorized to proceed with them.

I will be greatly obliged to you if you will advise me before our meeting of Saturday whether the program which I have outlined above meets with your approval from a legal standpoint.

Respectfully,

OPINION.

LAW DEPARTMENT.

Baltimore, December 2, 1910.

Francis K. Carey, Esq.,
President,
Commission on City Plan,
Baltimore.

Dear Sir:-

9800

I have your favor of December 2nd, in which you outline certain methods of procedure that you propose to advise the Commission, at its meeting tomorrow, to pursue.

I beg to say that if you appear before the Board of Estimates and secure the assent of that Board to the expenditures that the carrying out of such a plan will of necessity involve, I will advise the Comptroller that there is no reason why he should not honor your vouchers in payment of such expenses.

Truly yours,

(Signed) Edgar Allan Poe,
City Solicitor.
