Dear Sir:-

The Park Department desires to secure the leasehold interest of Robert Jackson in a piece of property on Franklin Road near the Wetheredsville Road. Jackson is asking \$1800.00 for his interest.

Our Department has approximately \$1400.00 available from one of the park loans. We desire to make up the difference out of our regular 9% income secured from the United Railways, but would like to obtain from you first an opinion as to whether we have the power to use money secured from the park tax for the purchase of land or interest in land.
