Dear Sir:-

Mr. Grasty, Secretary of the Board of Supervisors of City Charities, has referred to me the correspondence that has taken place between you and the Board, in reference to the bill of the Maryland Hospital for the Insane against the City for the care of the City insane patients for the three months ending December, 1910.

I am waiting to hear from you along the lines discussed by us at our last interview.

Truly yours,

Dear Sir:-

I herewith enclose draft of letters to be signed by the Presidents of the State Hospitals for the insane. Upon their receipt by the Mayor, I will say to the Mayor that in view of the situation that has arisen, the City should come to the relief of the Hospitals, in the manner indicated in the letters. I send you the letter in duplicate, - one for each of the two Hospitals interested. I think the letter should be authorized by the Board of Trustees of each Hospital.

Truly yours,
(Signed) Edgar Allan Poe,
City Solicitor.
