Baltimore, March 29th, 1911.

Arthur D. Foster, Esq.,

Dear Sir:-

9834 This morning I took up with the Mayor and the Comptroller
the question of the payment by the City for the care and maintenance
of City patients at Springfield and Spring Grove, in accordance with
the terms of the letter which I prepared, and which letter has been
signed by the officials of the Hospitals. The City is now prepared
to make payments in accordance with the terms of the letter.

Will you not kindly notify Mr. Hubner to this same effect.

Truly yours,

(Signed) Edgar Allan Poe,
City Solicitor.
