

File No. 24697

Baltimore, October 7, 1919.

Lindsay C. Spencer, Esq.,
Assistant State's Attorney,
114 Court House, City.

My dear Lindsay:

Sections 643 and 644 of the Charter deal with the reports of Justices of the Peace, the first of these sections providing for the accounting and return of fines and forfeitures collected on behalf of the State and the second for fines and forfeitures collected on behalf of the City.

I cannot find any provision in the law providing what shall be done in the event of the failure of Justices of the Peace to make these returns. If you can furnish me this information, I will be obliged to you.

Very sincerely yours,
(Signed) Roland R. Marchant,
City Solicitor.

Dear Sir:

Replying to the attached letter from the Building Inspector, I beg to report that I have examined the premises and find that the owner of the adjacent property has cut away the slope, leaving the city lot on a bank about 10 feet high above the grade of his lot.
