and maintained for sleeping or lodging purposes and which are offered to the public for rental or hire.

Section 3 of Ordinance No. 330, which you enclose, specifically provides that for the purposes thereof, a hotel, rooming house or lodging house shall be deemed to be any house or building containing five or more furnished rooms which are kept and maintained for sleeping or lodging purposes and which are offered to the public for rental or hire.

Consequently, any hotel, rooming house or lodging house which contains less than five room, kept and maintained for the purposes set forth in said Section, is not covered by said Ordinance No. 330.

Very truly yours,  
(Signed) George E. Kieffner,  
Assistant City Solicitor.
