

To the Honorable, the President
and Members of the City Council

(continued)

the Ordinance to be prepared provide that no rules and regulations will be enforced unless the rules and regulations are properly publicized and filed with the Department of Legislative Reference.

Nothing has been found denying these powers to the Mayor and City Council of Baltimore, and it is the opinion of this office that the authorization to enact such an Ordinance is contained in Article 6, sub-section 24 of the Charter of Baltimore City.

If the ordinance is prepared in a manner similar to that suggested, it is the further opinion of this office that it would in no way violate either the Charter of Baltimore City or the Maryland Constitution.

Very truly yours,

/s/ HARRISON L. WINTER
City Solicitor

/s/ MORTON L. GOLDNER
Assistant City Solicitor
