

County of Alexandria }
District of Columbia } 545

Personally appeared before me Francis Brown and Edward Lurvey and made oath and sworn to have that five of the persons named in the Bill against Arthur P West et al are now in Upper Marlborough paid for in George's bounty Maryland viz Hannah Arnold, Sophia Hannah daughters of Peggy and one other either Probit or William. They believe that these persons are about to be sold to the South.

John Willakes Justice of the Peace
