

The petitioners George  
Filed a summons,  
directed to Arthur P  
West, upon as a matter  
of right, and it would  
be a contempt of court  
if Mr West should  
remove them before  
a return of the subpoena  
when he will have  
to enter into a recog-  
nizance as prescribed  
by the act of 1796 ch  
56
