

To The Honble, The Commissioners of Prince  
Georges County -

We the Undersigned Citizens of  
Piscataway Neighbourhood, Respectfully Rep-  
resent to your Honorable Body a most worthy  
Object of Charity to your favourable Consideration  
in the person of an old infirm and afflicted  
Negress, who has been living in our midst for  
a number of years, known by the name of  
Milly, Chapman - entirely destitute of any mea-  
- nes of support.

We would further state that she  
receives from the County already \$10 given to her  
some years ago when she had a little health and  
strength to do something for herself, but now  
having lost her eyesight as well as her mind, the  
small sum of \$10 is inadequate and insufficient  
to buy the necessaries of life, and we hope your  
~~hon~~ Honorable body will increase her Pension  
to such an amount as in your Judgement will  
relieve her from further want & suffering -
