

prevent him from absconding  
and to ~~enforce~~ enforce a compliance  
with the law of the land and  
the performance of his duty -

This respondent denies that he  
compelled him to work on the  
sabbath for other persons or for  
his support, but ~~that~~ admits  
that in some instances in the  
business of limeburning absolute-  
ly requires he has rendered such  
services and such only as are  
required in that business but  
other times. In such cases  
always been allowed as holidays  
to him -
