Messenger to Retire After 32 Years on Job

James W. King, 422 21st St., N.E., Washingtonian and currently a Meswill retire July 1 after serving more senger in the Personnel Actions in HeatWave than 32 years in the Army Adju-branch.

BIG HIT-3 WAYS

The recent heat wave has caused an overflow crowd of visitors at anywhere that they think that they

The swimming schedule at Druid Hill Park had to be changed from two swimming sessions a day to three. Charles A. Hook, Park Superintendent said that, "The schedule will remain three sessions a day until the demand decreases.' The YMCA swimming pool taking care of over 1,000 boys, three times a week. The 'Y' also has a Day Camp Club for boys between the ages of 8 to 14. They go on camping trips for a period I two weeks.

Beaches Crowded Carr's and Sparrow's beaches have reported large crowds. Beachwood park visitors are increasing

possible, to stay as comfortable as the sunback dresses, tee shirts and the children playing under the water hose, dressed in play suits and Many have refused to sleep in

their beds, instead they are sleeping on the floor. They say it's at the heat. Weather Man's Report

a portable air condition system 85 degrees during the day and will it out and walk it off!

No Other Whiskey... ONLY Campaign Under Way

Governor McKeldin came from his office to the Mansion about GIVES YOU THE p.m. on Tuesday. Three in the main hallway were some 125 o his boosters holding up signs reading: "McKeldin for President." After a rousing welcome and al round of handshaking, the Governor and his friends went into the executive dining room for dinner The "McKeldin for President" idea began as a joke bu5 now the local leaders are in earnest about boom ing him for the GOP nomination The Governor told them that he and but if such a nomination did he would not reject it

It's true. Science now knows that engine cylinder wear, damage to valves, pistons and cylinders are the direct result of engine deposits left after combustion, and contamination.

Help protect your engine, help prevent engine deposits. Use the one motor fuel that can burn completely-Amoco-Gas, the original special motor fuel. Amoco-Gas is different. It is crystal clear. It is made of pure petroleum. It can burn completely. It can leave no metallic deposit. Use Amoco-Gas-for longer car life. There's nothing like it!
