Continued from Page 24

I f you want glittering night life and cafe society it's all here too. The summer visitor can dance under a clear star-studded sky, swing to the wildest discotheque beat; dine at sophisticated haute cuisine restaurants; have a flutter at the gaming tables; try native Bahamian delicacies and soul food; clap to the Goombay and Calypso rhythms of over the hill' nightclubs where the entertainment is throbbing and exciting, or justwander barefoot along miles of moonlit beach.

Sportsmen and women planning a Bahamas vacation can look forward to an almost limitless range of activities — golf, swimming, fishing, water-skiing, skin and SCUBA diving, sailing or motor-boating.

On New Providence (Nassau) there are four public golf courses and in Freeport on Grand Bahama this summer there will be six championship courses to challenge your skill.

Fishing, sail and motorboats can be rented at reasonable rates in Nassau, Freeport and all the resort Out Islands, together with fishing and diving tackle. Sightseeing can be enjoyed by taxicab, horse-drawn surrey, rental car or motorbike. Walking, too is a pleasurable experience in the quaint old colonial byways of Nassau and the Out Island settlements.

Return visitors to the Bahamas this summer will find a number of exciting surpises as the result of constant new development.

Although this summer there will be more than 9,500 rooms available in the Bahamas, visitors are advised to make early reservations for such popular periods as the Fourth of July, Memorial Day, Labor Day and other peak travel weekends.

Bahamas as well as a number of other airlines connecting Florida points of origin with Nassau, Freeport and the Out Islands. A fleet of cruiseships ply twice weekly between Miami and Nassau and there is a daily voyage by them v Freeport between Miami and Grand Bahamas Island.

North A merican travelers enter the friendly, hospitable Bahama Islands with minimal formalities. No passports, visas or vaccination certificates are needed by passengers arriving by commercial aircraft or cruiseship from the United States or Canada. All that is required is a return transportation ticket and proof of citizenship, such as a social security card. British nationals may enter for up to three weeks without a passport or visa.
