POLITICS:

An opinion on Africa

By MAX JOHNSON

Quite too often in our clearthinking society, somebody will invariably return from a brief stay in a foreign country - proclaming an expert knowledge of that country's internal affairs, its problems. And with outspoken advice

on what the country needs. Such is the case here this week of Dr. Amos R. Koontz, Johns Hopkins University assistant professor and sur-

press some ather pointed Central month's trip there. A daily press story quoted

"THE PRESS says the Union of South Africa is persecuting the natives, but I

found no evidence of this at 2. "All this anti - colonialism leaves me cold, especially after seeing the people (natives) and what's been done

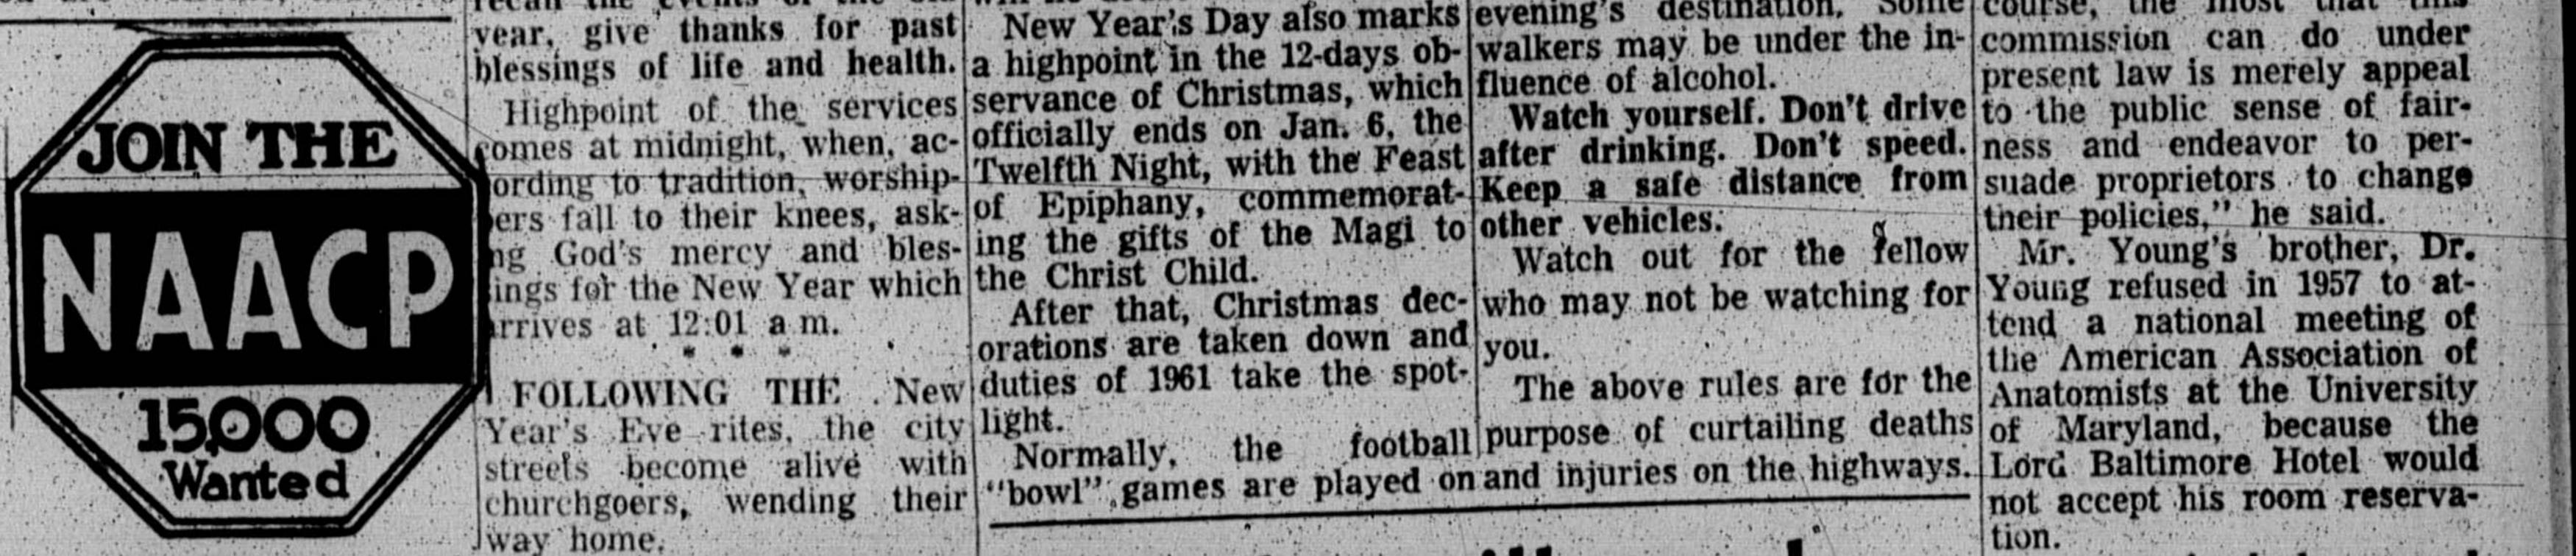

for them (by the British and) 3. "Those people (Africa's patients, but use the degree
