A complaint to Gov. J. Millard Tawes by a St. Louis man who was refused service at a Howard Johnson Restaurant near, Hagerstown, because of his race, has resulted in a policy change by the restaurant. Douglas B. Sands, executive secretary of the Marylard Commission on Interracial Problems and Relations. Wednesday that the restaurant now serves

The complaint by F. Weldon Young, brother of Dr. M. Wharton Young, famed neuroanatomist at Howard University, was referred to the commission by Gov.

MR. YOUNG wrote Gov. a letter explaining what had happened to him and his wife during a vacation trip covering several eastern states. He also suggested three steps which he feels would curb service discrimination.

NOTING THAT the restaurant was similar to other Howard Johnson cafes where they had eaten on then trip, Mr. Young said he and his wife refreshed themseives in a restroom and took a seat but "10 minutes passed and no one came to

"People to the left, the right, in front and behind were served. Finally I sensed that we were being ignored."
