Investigate county hospital

The Maryland Commission on Interracial Problems and Relations has launched a full scale investigation of racial discrimination practices at Calvert County Hospital in Prince Frederick.

Jerome Mitchell, of the Commission, said reports on findings of these points will come at the June 9 regular meeting: If the hospital is covered by Title VI of the Civil Rights Bill which prohibits racial discrimination; the hospital's hiring and promotion practices.

The Commission acted on NAACP complaints that the hospital segregates patients, puts colored patients in the hall rather than in empty beds in the "white" ward, has no colored employees above the rank of nurses aides, and that Mrs. Edith Harrod, 19, and one of her twin daughters are dead due to, inadequate treatment at the hospital.

A Gift For Clean Blocker

'Clean Blocker of Year' to get stereo console gift

A civic-minded citizen, William E. Roberts, 2616 Walbrook Ave., gave the AFRO Clean Block Prize Fund a giant boost this week.

He donated a beautiful stereo console to be given to the Clean Blocker of the Year. The liquor licence Inspector, longtime staunch supporter of Clean Blockers, presented the gift to Mrs. Jeannette B. Leath, director.

"We appreciate this lovely gift. It's hard to find words to express our gratitude. It is because of friends like you, who give freely of their time, energy and resources that encourage young workers to do their best." Mrs. Leath told Mr. Roberts.

Mr. Robert's gift is among other generous donors who have contributed to insure that young Blockers will be given recognition for their part in helping to make the city a cleaner and healthier place to live, she said.

Contributions are being sought for the 31st annual AFRO Clean Block Campaign prize fund. An appeal is being made this year as in others to corporations, civic and social clubs, schools, churches, fraternal organizations, individuals and other groups interested in young people.

Each year it is necessary to establish a Clean Block Prize Fund. It is out of this fund that these youngsters are given token awards at the close of the drive, just before school re-opens.

"Can we count on you, once again, to play an important part in this year's drive?" Mrs. Leath asks adding:

"We are appreciative for all your past support and hope that we can count on you this year to help again."

All contributions are gratefully acknowledged in the AFRO on the Clean Block Page.

Mail your contributions to AFRO Clean Block, 628 N. Eutaw St. Baltimore, Maryland 21202.

Freelance barber jailed on daughter's testimony

A 44-year-old father who testified in Criminal Court he works at a Union Hall, when they call him, and cuts his friends' hair for free, when they call him, was sentenced to four years in the House of Correction Monday.

Charged with the Feb. 6 criminal assault of his 15-year-old daughter, Robert (Bob) Young, 600 Melvin Drive, drew the term despite his statement he was doing barbering favors for friends throughout the day.

Among five defense witnesses who said they either got hair cuts or saw others getting them the day the incident was alleged to have occurred, were Russell Cohn, 800 block S. Paca, and Herbert Garrett, 600 block Barre.

Both told the Court they were among others present at Young's residence, enjoying cards, drinks and conversation while he "cut at least four heads."

Mrs. Goldie Bootsie, residing there with him over 10 years, testified she was asleep at the time, in the upstairs bedroom where the incident was said to have occurred.

A YOUNG GIRL who resides on Barre St. with her mother, said she delayed reporting the occurrence six days, until Feb. 12, because she feared against Young's frequent outbursts against her about "boys, babies and bad marks in school."

She went to the Melvin Drive house following a call from Young, who, she admitted, contributes regularly to her support.

THE SIX-HOUR hearing attracted more than usual interest from spectators in the courtroom and involved many emotional crises between Assistant States Attorney Joseph Howard and Young's attorney, David Densmon.

Mr. Howard based the state's case on the 15-year-old girl's testimony, termed it a "heinous crime" and summerized "the real fault" as lack of proper supervision and care on the part of the child's mother.

Police get $10,000 for riot training

The Police Department was authorized by the Board of Estimates on Wednesday to use $10,000 of its unexpected salary account to train policemen in crowd control and riot prevention.

Bernard J. Schmidt, police commissioner, requested the funds, pointing out that a program held earlier for high ranking officers had been highly successful.

Approval came as an aide of Mayor Theodore R. McKeldin was passing out a formal statement of his expressing disappointment over the City Council's killing of the fair housing ordinances and stating this "would invite greater problems for our community."
