

Pennsylvania... A Place of Action

Pennsylvania wants and needs Blacks as

Teachers, administrators
and staff members for
local school districts, the
state college and university
system and the state
Department of Education

Students, both undergraduate
and graduate, for its 14 state
institutions of higher education

*Now is the
time to
Apply!*

If you want to work in education or
go to school in Pennsylvania
give me a call or drop me a line

Barton A. Fields, Chief
Recruitment and Placement Division
Bureau of Personnel
